

# Acne Control Regimen

Clear current and prevent future breakouts with effective ingredient blends that help balance the skin's oil production. Salicylic acid, benzoyl peroxide, retinol, and charcoal clear and prevent acne breakouts.

## Key Benefits

- ✓ A comprehensive regimen to effectively clear blemishes quickly and prevent future breakouts from occurring
- ✓ Liquid benzoyl peroxide penetrates pores to eliminate acne at the source
- ✓ Pure retinol exfoliates buildup of skin cells and clears pores, which minimizes breakouts and reduces discolorations
- ✓ Prevents free radical damage with anti-inflammatory properties
- ✓ Plant extracts purify and calm the skin

## Products

- + **BPO 5% Cleanser** – Eliminate existing and future breakouts, ridding your skin of impurities with this benzoyl peroxide and gluconolactone cleanser that penetrates pores instantly.
- + **Acne Gel** – Clear existing and prevent future acne breakouts with this fast-acting, salicylic acid treatment. A unique botanical blend controls daily oil production.
- + **Intensive Clarity Treatment®: 0.5% pure retinol night** – Dramatically reduce and prevent acne breakouts, oil production, and inflammation with this salicylic acid formula featuring retinol and niacinamide.
- + **Clearskin** – Reduce redness and breakouts, balance the skin's natural oil production, and provide antioxidant protection with 4% niacinamide in this light hydrator.
