

Après Peel® Hydrating Balm

Improve the overall appearance of aging skin with this light-textured moisturizer containing chasteberry, soy isoflavones, and olive and wheat germ oils.

Key Benefits

- ✓ A light-textured moisturizer that replenishes dry or aging skin
- ✓ Improves collagen to reduce fine lines and wrinkles
- ✓ Antioxidants provide further skin protection for aging skin

Key Ingredients

- + **Chasteberry Fruit Extract** – hydrates the skin.
- + **Soy Isoflavones** – are a rich source of the antioxidant genistein that help to improve the overall appearance of aging skin.
- + **Olive Fruit Oil** – a gentle emollient and a high source of antioxidant polyphenols.
- + **Wheat Germ Oil** – an effective emollient with a high percentage of the omega-6 essential fatty acid (EFA) gamma linolenic acid (GLA) and vitamin E.
- + **Hydrolyzed Milk Protein** – an emollient and moisturizer.
