

# C&E Strength | C&E Strength Max

Strengthen, smooth, and brighten skin with this antioxidant corrective that has maximum vitamin concentrations: 20% vitamin C and 5% vitamin E. Start with **C&E Strength** to see how the skin responds to 15% vitamin C before graduating to the 20% vitamin C in **C&E Strength Max**.

## Key Benefits of C&E Strength Max

- ✓ High concentration of pure vitamins C and E delivers impressive results
- ✓ Minimizes fine lines and wrinkles, and evens skin tone
- ✓ Stronger, smoother skin seen in as little as two weeks
- ✓ Great for those who tolerate **C&E Strength** with 15% vitamin C

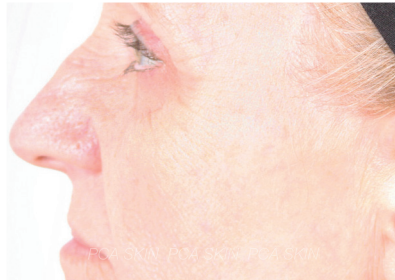

## Key Ingredients in C&E Strength and C&E Strength Max

- + **L-Ascorbic Acid (Vitamin C) (15%/20%)** – an antioxidant and MMPi that is the only bio-available form of vitamin C for the skin; it minimizes the appearance of fine lines and wrinkles while promoting an even skin tone.
- + **Tocopherol (Vitamin E) (5%)** – a fat-soluble antioxidant vitamin and emollient ingredient.
- + **Bisabolol** – one of the principal, active compounds found in chamomile; this ingredient contains MMPi properties to calm and soothe the skin while attracting and retaining moisture.

Before

After five weeks

**Condition:** Fine lines, wrinkles, dullness, and laxity\*. **Solution:** Facial Wash, C&E Strength, Hydrator Plus Broad Spectrum SPF 30, Collagen Hydrator. \*Photos not retouched.
