

Hydrate: Therapeutic Oat Milk Mask

This mask was strategically formulated to soothe and hydrate impaired skin conditions of all kinds. Oat milk, an excellent humectant, is also an antioxidant. This unique treatment mask incorporates advanced botanicals and pro-vitamins such as cucumber, arnica, and panthenol to calm and improve the skin's appearance.

Key Benefits

- ✓ This mask was strategically formulated to soothe and hydrate impaired skin conditions of all kinds
- ✓ Oat milk, an excellent humectant, is also an antioxidant
- ✓ This unique treatment mask incorporates advanced botanicals and pro-vitamins such as cucumber, arnica, and panthenol to calm and improve the skin's appearance

Key Ingredients

- + **Avena Sativa (Oat) Kernel Extract** – oat milk extract high in essential fatty acids (EFA). Oat milk is an antioxidant that soothes and calms the skin, and helps retain vital moisture.
- + **Arnica Montana Flower Extract and Cucumber Fruit Extract** – are calming agents.
- + **Panthenol** – hydrates the skin.
- + **Glycerin** – a humectant and emollient that helps to hydrate skin.
- + **Sodium Hyaluronate** – has the ability to hold 1,000 times its weight in water and plays an important role in skin hydration.

Skin Type

- Dry
- Oily
- Combination
- Normal
- Sensitive

Preventative

Results you can see

PCA SKIN®'s rigorous product development process includes partnering with dermatologists to test the effectiveness of each formula before it's put on the market. Our before and after photos are a sampling of the results seen during this process. These photos are never retouched.

Pro Tips

A great follow-up treatment after peeling has subsided to allow maximum absorption of hydration.

Add **Hydrate: Therapeutic Oat Milk Mask** to any other professional treatment mask to neutralize sensations.

Pair with **Advanced Treatment Booster** to add some exfoliation into the treatment.
