

Active Protection Body Broad Spectrum SPF 30

Specially formulated for protection at the beach, on the slopes, or anywhere in between, this water-resistant SPF is perfect for an active lifestyle. Additional active ingredients help protect skin from aging pollutants and other environmental stressors.

Key Benefits

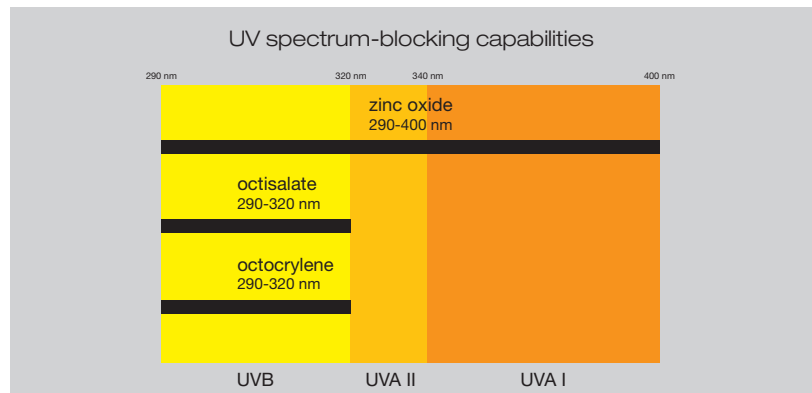

- ✓ Our reef friendly* broad spectrum SPF's defend skin against aging UVA rays and burning UVB rays
- ✓ Tested to protect the skin for 80 minutes in water or while sweating
- ✓ Non-aerosol continuous spray that goes on white to show coverage and dries clear
- ✓ Awarded The Skin Cancer Foundation Seal of Recommendation for Daily Use

Active Ingredients

- + **Octisalate (4.9%)** – absorbs and filters UV rays.
- + **Octocrylene (9.5%)** – absorbs and filters UV rays.
- + **Zinc oxide (10.6%)** – provides broad spectrum UV protection by reflecting, scattering, and absorbing UV rays.

Key Ingredient

- + **Bisabolol** – calms and soothes skin while attracting and retaining moisture.
- + **Ectoin®** – a multifunctional active ingredient that protects skin from cell damage.
